

New tip411 Public Safety Alert System

The Sugar Creek Police Department has a new interactive way to keep the community connected and informed through email, text message, and online public safety alerts. tip411 also allows the public to report crimes and other suspicious activities directly to police by sending anonymous text messages from their cell phone.

Members of the community can register to receive alerts from Sugar Creek PD via email and/or text message to their cell phone by opting to receive neighborhood-specific or citywide alerts about public safety issues in their area. Community members are encouraged to sign up online by visiting https://www.tip411.com/people/sign_up?agency_id=644.

The public can also share information on crimes and other suspicious activity by sending an anonymous web or text tip to police. While not a replacement for dialing 911 in an emergency, those wishing to share information anonymously with police can simply text sugarcreek and their message to 847411 (tip411). You can also submit a tip by downloading our app on your Apple or Android smart phone by searching "Sugar Creek Police Department" in your app store or play store.

Those with questions, or who need help signing up for alerts, are asked to call Sugar Creek PD at 816-252-7058.
